

# EDUCATING STUDENTS WITH DISABILITIES

One way in which CBN Foundation supports the disabled is through educating students with disabilities. Schools for the disabled are empowered by equipping and training students and teachers alike with education material and tools especially designed for the disabled. CBN Foundation also conducts regular Awareness Programmes on Mental Health, Good Touch Bad Touch & Legal literacy on their rights to education to strengthen students, teachers and parents.

## THE IMPACT OF YOUR DONATION

### INCLUSIVE EDUCATION

With every donation CBN Foundation donors make it possible for visually impaired students to receive a dispatch of NCERT Braille books aligned to the CBSE curriculum especially designed by Raised Lines Foundation, incubated in IIT, Delhi.

### IMPROVED LEARNING

The Braille books, maps, geometry tools and diagrams have broken the barrier between disability and knowledge. They are empowering students to ace their exams and confidently move to the next class.

### CONFIDENCE BUILDING

Access to audio versions of printed text will enhance learning and exam preparation of the students.

### INCREASED INDEPENDENCE

Students can organize belongings and study materials on their own, reducing reliance on others.

## SUPPORT THE NEED OF A SCHOOL FOR THE BLIND

So far, 23 visually impaired students at the Prodigal's home, Dimapur, Nagaland have received their set of NCERT Braille books. As exams approach, they are in need of a critical piece of equipment- The Lex Instant Reader. This is a powerful device that converts printed text into audio, enabling independent study. Please give generously to it.

**We need Rs 65,000/- towards this goal, please contribute generously, As the full amount is needed to fulfill this Goal.**

**YOUR SUPPORT CAN HELP BLIND SCHOOL STUDENTS ACE THEIR EXAMS.**
