

Help Tansira finish Class 10

Tansira, 15, is training at CBN Foundation's sewing centre. Alongside learning livelihood skills, she longs to complete her schooling. Your gift can help her re-enrol and move toward a brighter future.

*"I want to complete my schooling."
-Tansira*

WHAT HOLDS HER BACK

After losing her mother at a young age, Tansira is raised by her grandmother. With her father's limited, daily-wage income and two younger siblings, school became unaffordable after Class 8.

THE JOY OF GIVING — EDUCATION

Despite challenges, Tansira has not given up. She is learning sewing to support her family and dreams of resuming her education through open school. Gift Tansira the **Joy of Education** and help her complete Class 10. This gift will help her become a contributing member of her community and our nation.
